Penang, Malaysia

A fascinating fusion of the East and West, Penang embraces modernity while retaining its traditions and old-world charm. These are reflected in its harmonious multiracial populace and well-preserved heritage buildings which led to George Town being accorded a listing as a UNESCO World Cultural Heritage Site recently. Long regarded as the food capital of Malaysia, Penang also entices visitors with its beautiful coasts and scrumptious cuisines.

School of Accountancy (SOA), Universiti Utara Malaysia

SOA is one of the nation's oldest accounting schools, having been established along with Universiti Utara Malaysia in 1984. SOA, with its 130-strong faculty members, is one of the largest accounting schools among Malaysian public universities.
