

ASIAN ACADEMIC ACCOUNTING ASSOCIATION annual conference

10-11 NOVEMBER 2025.TAIPEI, TAIWAN

Navigating the Future of Accounting: Innovation, Ethics, and Sustainability

CALL FOR PAPERS

The **Asian Academic Accounting Association (FourA)** has been a premier platform for accounting research and academic collaboration since 2000. As one of the most recognized accounting conferences in the Asia-Pacific region, FourA provides an outstanding venue for academics, researchers, and practitioners to present and discuss the latest developments in accounting, finance, and related disciplines. This year the 4A is proud to celebrate its **25th anniversary**.

The **22nd Annual Conference** will be held on **10-11 November 2025** in **Taipei, Taiwan**, bringing together scholars from around the world to explore emerging trends in accounting and their implications for business, governance, and economic development. The conference will highlight **cutting-edge research, ethical considerations, and sustainable practices** shaping the future of accounting in an era of digital transformation and regulatory changes.

We invite submissions of **original research papers, conceptual papers, and case studies** in the following areas:

- Accounting Education
- Accounting Information Systems
- Auditing & Internal Control
- Corporate Finance
- Corporate Governance
- Corporate Social Responsibility
- Environmental Accounting
- Financial Accounting & Reporting
- Forensic Accounting
- IFRS and Accounting Standards
- Islamic Accounting,
- Management Accounting & Costing
- Taxation
- SME Accounting

In addition to the above areas, papers on interdisciplinary research with accounting implications will be considered.

ABOUT TAIPEI

Taipei: Where Tradition Meets Innovation

Taipei, Taiwan, the host city for the 22nd Annual Conference of FourA in 2025, is a vibrant and dynamic metropolis that seamlessly blends tradition with modernity. As a major financial and business hub in Asia, Taipei is home to leading financial institutions, multinational corporations, and top accounting firms, making it an ideal location for discussions on global accounting trends and innovations. The city is also a center for academic excellence, with prestigious universities and research institutions contributing to its reputation as a hub for intellectual and technological advancements. Beyond its professional and academic significance, Taipei offers a rich cultural heritage, diverse culinary experiences, and a well-developed infrastructure that makes it a prime destination for international conferences. With its world-class conference facilities, efficient transportation system, and welcoming atmosphere, Taipei provides an engaging and inspiring setting for scholars and professionals to connect, collaborate, and explore the evolving landscape of accounting in Asia.

ABOUT FOURA

Empowering Accounting Excellence in Asia and Beyond

The Asian Academic Accounting Association (FourA) is a leading organization dedicated to advancing accounting research and education across Asia and beyond. Established in 2000, FourA has played a pivotal role in fostering collaboration among academics, researchers, and practitioners, providing a platform for scholarly exchange and professional networking. The association is renowned for organizing annual conferences that bring together experts to discuss critical issues in accounting, auditing, corporate governance, taxation, and financial reporting, particularly in the context of emerging and developed economies. Through its initiatives, FourA supports research collaborations, promotes high-quality academic publications, and enhances accounting education by facilitating dialogue between academia and industry.
